

Meet Your Mentor: Tann

Visionary. Intercessor. Daughter of Light.

Hi, I'm Tann—founder of Tanngibly Blessed Sisters, a Spirit-led sisterhood birthed from both deep pain and divine purpose.

Like many of you, I've known what it's like to walk through shadows. There was a time in my life when God whispered, then knocked, then allowed the weight of loss to sit me down completely. In that stillness, I finally heard His voice—not in the chaos, but in the quiet. And when I heard it, I knew I could never go back.

Now, I've dedicated my life to helping women hear Him clearly the first time—before the brick, before the heartbreak, before the begging.

This community is my "yes" to that calling. "Speak, Lord, for your servant is listening." – 1 Samuel 3:10

What I Believe:

- Healing is holy.
- Sisterhood can restore what isolation tried to steal.
- You already carry more light than you realize.

I'm not here as a perfect leader—I'm here as a sister who's walked through fire and found gold in the ashes. My mission is to create spaces where women don't just survive—but rise.

Let's walk in that light together. You're not here by accident... and I'm honored to mentor you on this journey.

With love and expectancy,

Tann
